Re: U.S. Patent No. 6,203,825 B1 on PROCESS FOR MAKING A LOW-ALCOHOL WINE (Our File No. 4787-01-1)

Dear Sirs:

Upon proof reading the above-referenced U.S. Patent, it was noted that the word "product" is misspelled in Claim 6. The word should be "produce."

Although this error appeared in the original application as filed, it was corrected in the claims submitted on Appeal, but was not noted when the patent was printed by the U.S. Patent and Trademark Office.

The error is not considered so significant as to require a Certificate of Correction. However it is requested that this letter noting the error be placed in the file history of the patent.

Very truly yours,

McCormick, Paulding & Huber LLP
